

Public Notice
of the Proposed Renewal of the Federally Enforceable State Operating Permits for
Myers Industries, Inc./MII Fixture Group in Lincoln

Myers Industries, Inc./MII Fixture Group has requested that the Illinois Environmental Protection Agency renew the federally enforceable state operating permit (FESOP) for air emissions from its display furniture manufacturing plant located at 2200 West 5th Street Road in Lincoln. Pursuant to the 1990 amendments to the Clean Air Act, the facility is required to have a federally enforceable permit for its air emissions. The permit will contain federally enforceable limitations that restrict the facility's emissions to non-major levels. The permit will be enforceable by the USEPA, as well as the Illinois EPA. The Illinois EPA is accepting comments on the draft permit.

Persons wanting more information may obtain copies of the draft permit, and project summary at www.epa.gov/region5/air/permits/ilonline.htm (please look under All Permit Records, FESOP, Renewal). These documents and the application may also be obtained from the Illinois EPA's offices at 5415 North University in Peoria, 309/693-5461 and 1340 North Ninth St., Springfield, 217/782-7027 (please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.

Comments are requested on the draft permits. Comments must be postmarked by midnight March 3, 2003. If sufficient interest is expressed in a permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
